

Everyday Neutral pH Cleaner

DESCRIPTION

Aqua-Seal STC™ EzyClean™ is an ultra concentrated neutral cleaner formulated for everyday use. This No VOC, biodegradable, neutral cleaner, when used regularly and as per directions helps maintain your surface in a pristine condition. Regular use also helps prevent soap scum build up and hard water deposits. Leaves a room smelling fresh and clean with a lemon scent.

USES

Use on all natural stone, grout, ceramic, porcelain, terracotta, saltillo, quarry tiles, terrazzo, concrete, pavers, masonry and other water safe surfaces. Does not affect existing sealed surfaces or sealers.

TEST FIRST

Due to the nature of different surfaces, you should do several test areas in inconspicuous areas according to the label instructions to determine surface colour stability and desired results. The end user must determine the suitability of the product for their intended use.

PRECAUTIONS

1. Always Test first;
2. Read entire label and product technical bulletin before using;
3. Wear appropriate skin protection;
4. Use when surface temperature is between 4°C and 32°C.

INSTRUCTIONS

1. Shake well before using;
2. Sweep, vacuum, or wipe surface;
3. Dilute Aqua-Seal STC™ EzyClean™ as follows:
 - a) GENERAL MAINTENANCE:
Mix 4 litres of water to 10ml of product;
 - b) MODERATE MAINTENANCE:
Mix 4 litres of water to 30ml of product;
4. Carefully apply the solution to surface with a sponge or a mop;
5. Allow minimum dwell time of 1-3 minutes – DO NOT ALLOW THE PRODUCT TO DRY ON THE SURFACE;
6. Slightly agitate the surface with a microfiber mop, white nylon pad, scrub brush or scrub machine;
7. Remove the dirty solution with a wet vac or mop;
8. Rinse thoroughly with clean water;
9. Change the cleaning solution as it gets dirty;
10. Repeat the process as necessary.

LIMITATIONS

- Do not mix with other chemicals or allow product to come in contact with any non-recommended surfaces;

COVERAGE

Approximately 1,000-2,000 square meters per 4 litres. The coverage will vary depending on density, porosity, texture, surface absorption, weather, time solution left on surface, the application method, severity of the problem and dilution used.

HANDLING AND STORAGE:

- Close container tightly after each use.
- Store in original container only.
- Store in temperatures between 4°C and 32°C.

FIRST AID

For advice, contact a Poisons Information Centre (Phone 131 126) or a doctor. If swallowed, do NOT induce vomiting. Immediately give at least 3-4 glasses of water. If in eyes, hold eyelids apart and flush the eye continuously with running water. Continue flushing until advised to stop by the Poisons Information centre or a Doctor, or for at least 15 minutes. If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water. If irritation persists, seek medical attention. In case of accident or if you feel unwell, seek medical advice immediately.

SAFETY DIRECTIONS

Avoid contact with skin and eyes.

WARRANTY

Aqua-Seal STC™ "The Manufacturer" warrants to the original purchaser of its products that such products are free from manufacturing defect and does not warrant or guarantee the workmanship performed by any person or firm installing its products. The manufacturer's obligation under this warranty is limited solely to the original purchaser and solely shall be limited to the replacement of the product sold. This warranty will not extend to any product which has been modified in any way or which has not been used in accordance with the printed instructions. The manufacturer makes no other warranties either expressed or implied. The end user must determine the suitability of the product for their intended use.

ALWAYS DO A TEST FIRST.
